

PURPOSE OF POSITION

To improve effectiveness of charity work in the Joplin community through connection, education and advocacy.

RESPONSIBILITIES

- Oversee implementation of and training for web-based software tools that support the mission of True Charity. These may include Charity Tracker, Neighbor Connect, or other similar tools
- Organize and execute local educational events for city, church, and nonprofit leaders
- Creatively communicate the principles of True Charity including the 7 marks of effective charity through PSA's, social media, billboards, and other similar outlets
- Form relationships with community leaders to promote connection and cooperation
- Work closely with TCI national leadership to set objectives and coordinate assessment, training and consultation for churches and organizations assisting them toward True Charity Network membership
- Meet with national True Charity team to discuss community needs and progress on a weekly basis
- Attend annual True Charity Summit
- Develop and manage teams/volunteers to assist as needed

ESSENTIAL COMPETENCIES

- Public speaking and teaching
- Proficiency in internet use, MS Office products and spreadsheet use
- Collaborator

OTHER REQUIREMENTS

- Experience in nonprofit poverty relief work
- Attention to detail in writing
- Committed follower of Christ
- A strong proponent of privately funded approaches to helping the poor
- A servant's conduct

EMPLOYMENT DETAILS

- This is a fulltime salaried position. The candidate should live within the immediate area. The position reports to the Community Outreach Director within the Advancement Department of Watered Gardens Ministries.
