

Job Title

Watered Gardens Ministries and True Charity Videographer

Summary/Objective

To assist with all graphic design needs for Watered Gardens Ministries and its subsidiary, True Charity.

Essential Functions

- Assist in pre-production of video content
- Assist in production of video content
- Assist in post-production of video content

Essential Competencies

- Has a good understanding of running DSLR and mirrorless cameras to capture video – having a firm grasp on video resolution, frame rates, shutter speeds, exposure, focal lengths, and sound recording directly to the camera or an external recorder.
 - Experience with other types of film equipment such as lights, mics, and sound equipment is preferred, but not required.
- Is proficient in Adobe Premiere Pro – able to artfully cut together footage, do color grading, optimize audio, and add basic titles and on-screen visuals. (Typically, Premiere projects are exported to After Effects for more advanced editing.)
- Experience in After Effects is strongly preferred, but not required.

Other Preferences/Requirements

- Experience in nonprofit work
- Attention to detail
- Committed follower of Christ
- A strong proponent of privately funded approaches to helping the poor
- A servant's conduct

Employment Details

This is a part-time position. The candidate should ideally live within the Joplin 4-State region. If hired, the candidate would report to the Media Arts and Communications Director and would thus be part of the overall Advancement Team for Watered Gardens Ministries, a religious not-for-profit headquartered in Joplin, MO, and its subsidiary, True Charity.

NOTE: There's also a job opening for a Watered Gardens Ministries and True Charity Graphic Designer. We will only be filling one of these two positions, based on the best fit for the Advancement Team. However, if you can demonstrate competence for both positions, we would consider the possibility of additional hours or even a full-time role.
